## **Information about press accreditation for the Ruhrtriennale 2021**

### Accreditation

Press representatives will receive 1 press ticket per Ruhrtriennale 2021 event, subject to availability. Please mark the desired performances and send us your binding request by e-mail to [presse@ruhrtriennale.de](mailto:presse@ruhrtriennale.de). You will receive a timely confirmation before the festival starts.

As usual, you will receive your ticket for the respective event at the press counter on site. The press counter is usually staffed one hour before the start of the event. Please collect your ticket on the day of the performance at the latest 30 minutes before the performance starts. We recommend a timely pick-up to avoid large crowds at the press counter.

### Personalization of tickets

To ensure the tracing of infection chains, all tickets are personalized. The colleagues at the press counter are required to check the personal information provided against a valid identity card or press card.

**Please note that personalized tickets are non-transferable.**

### Coronavirus information

The framework conditions for planning the Ruhrtriennale 2021 are constantly changing due to the ongoing Coronavirus pandemic. To counter this situation, we are planning the festival with comprehensive protective measures and in different variants. These measures are regularly adapted to the respective situation. Therefore, before you visit the Ruhrtriennale, please familiarize yourself on our homepage about the [currently valid regulations](#).

### Entry requirements for international press representatives:

Please familiarize yourself in advance with the current entry requirements of the Federal Republic of Germany on the [website of the Federal Foreign Office](#).

### Companion tickets

It is possible to register a companion ticket in addition to the press ticket. This is only valid in the company of the accredited press representative and usually costs €15 per event. For this purpose, please additionally mark the option "companion ticket" for the respective event next to your event selection. The companion ticket is also issued on a personalised basis for the purpose of tracing infection chains.

We kindly point out that due to the reduced seating capacity as a result of the pandemic, requests from representatives of the press have priority for accreditation. To guarantee your companion a binding visit to a desired event, we therefore recommend the regular ticket service. You can find information on this at [www.ruhrtriennale.de/de/ticketinformationen](http://www.ruhrtriennale.de/de/ticketinformationen).

The placement is carried out in compliance with the distance optimization of the current Coronavirus measures (as of 25/06/2021). A joint placement of two households can thus unfortunately not be guaranteed.
