

loekenfranke

Michael Loeken and Ulrike Franke have been developing and realizing documentary films and video installations together since 1995, among others in cooperation with the Schauspielhaus Bochum. Her works are characterized by a personal signature that makes the universally valid recognizable with a close look at everyday life and combines tragedy and comedy. In 2015, loekenfranke completed GÖTTLICHE LAGE, a trilogy that has accompanied the structural change in the Ruhr area for more than ten years. Her films have been screened at renowned festivals worldwide and have won numerous awards, including Best International Feature (Hot Docs, Toronto), Best Film Award (One World, Prague), and two Grimme Awards.
