"The metric for realness is moving" (Juliana Huxtable) brings the spirit of "The Third Room X Respublika" down to earth. Hence, you should show up in large numbers and share the news. Admission begins at 11 pm, the event starts at 1 am. Tickets are € 32, discounted tickets € 16. www.ruhr3.com/rave

The long The Third Room X Respublika rave night will be the highlight of the closing of the Ruhrtriennale as well as the guest performance "**Respublika**" and delivers the energy of this unique production created in cooperation with the National Theater of Lithuania.

Moving between techno, film, performance, theatre and installation, "Respublika" (lat. "public affair") views itself as both, a complex and a powerfully sensual image of current times. Initiated by Polish director, video artist and raver Łukasz Twarkowski, 14 performers beckon the audience to freely move about for six hours, while dancing, chilling out at the bar or in the sauna and become part of a community. After each of the five performances, the rave is introduced as a wave of cultural resistance against the powerlessness of our day and age. Enjoy on September 9, 10, 15 through 17, at 7 pm each scheduled night at the Jahrhunderthalle Bochum. Tickets € 32, discounted tickets € 16 at www.ruhr3.com/respublica

Through May 29, 2022, the Ruhrtriennale is offering an **early bird discount** of 15 % on tickets for all events that are part of the Festival. From August 11 through September 18, 2022, the Ruhrtriennale will host a celebration of the arts in a variety of former industrial hangars in Bochum, Duisburg, Essen and Gladbeck.
